

OKLAHOMA!

Oklahoma! is set in the Indian territory at the turn of the century when cattlemen and farmers were fighting over fences and water rights. In the middle of all this controversy are two more rivalries. One tells the captivating story of Oklahoma farm girl, Laurey, forced to choose between Curly, the happy-go-lucky cowboy she loves, and Judd, the mysterious loner she fears. The second romance concerns the flirtatious Ado Annie, her long-suffering fiancé Will Parker and Ali Hakim, the womanising peddler, a love triangle ensured to provide plenty of laughs.

Oklahoma! has delighted audiences since its premiere more than 65 years ago. The only American musical to win a Tony Award, a Grammy Award and the Pulitzer Prize, this landmark piece continues to resonate today.

Joyous and bursting with vitality, the score includes the classic songs "Oh What a Beautiful Morning", "The Surrey with the Fringe on Top", "People Will Say We're in Love", "I Cain't Say No", "Oklahoma!" and many more, making this a musical treat for all the family!
